In case of force majeure or proven illness, the entry fee will be refunded by the organizer of the relevant race upon written request. The application form is published at www.cyklokros.cz.

5. CLASSIFICATION

Classification is shown in the table below.

6. OVERALL INDIVIDUAL CLASSIFICATION OF RIDERS

Overall individual classification of riders in category Men and Women shall be the rider's sum of all his points in 7 international UCI C2 Toi Toi Cup races.

Overall individual classification of riders in category Men Juniors shall be the sum of points obtained for the 7 best positions of the rider in 9 races of the TOI TOI CUP 2022 series.

Overall individual classification of riders in categories Beginners and Cadets (all men and women) shall be the sum of points obtained for the 6 best positions of the rider in the first 8 races of the TOI TOI CUP 2022 series and points obtained in the Czech Nat. Youth Championships race in Rýmařov.

The classification of the National Youth Championships is the same as for the Toi Toi Cup 2022 races. By the equality of points in the running overall ranking of the series, only the better ranking position in the last race in which the riders / rider took place decides. If only one of the evaluated riders participated in the last race, that rider is better placed in the overall ranking. If none of the evaluated riders has participated in the last race evaluated so far, then the placement in the previous race will be considered.

The results of the European Cyclo-Cross Cup in Ostrava will not be included in the overall TOI TOI CUP 2022 standings.

7. CLASSIFICATION OF THE TEAM COMPETITION

For the classification of the team competition will be used the sum of the top 3 riders of one team of each race of the series. In the case of a change in the team membership during the competition, the points of such rider will be counted to that team, for which the points earned.

In case that during the season the name of the entire registered team will change, all points earned by the original team will convert to its successor team. This change must be documented in writing in advance to the result service group appointed by the Cylo-Cross Commission of the Czech Cycling Federation.

The team, for which less than 3 riders starts, will be classified by sum of points participating riders. In the case of the point equality of two or more teams, a better ranking position of the best rider in the team in the last race decides.

8. STARTING NUMBERS

Starting numbers for international C2 races will be provided for local organizers through the service group for all categories. Starting numbers will be disposable, incl. chip and won't be returned after the race.

Starting numbers for national races will be without a chip and won't be returned after the race.

13. LOST ROUND

Lapped riders must complete the lap during which they were lapped and leave the event via an exit located before the finishing straight or in the «80%» zone as described in article C0934 of Czech National Federation regulations, if that rule applies. They will be listed in the results in the order in which they are pulled out of the race plus number of laps which have not been completed.

The decision as to whether the 80% rule is to be applied will be made by the president of the commissaires' panel after discussion with the organiser. This rule must always be applied in the international race as follows:

Any rider who is about 80% slower than the leading rider in the first lap, will be pulled out of the race. This rider shall leave the race at the end of his lap in the zone provided for this purpose (the «80% zone») except when the rider is on his final lap.

For national races this regulation shall apply:

A rider, who has been lapped before the race leader enters the last lap, continues in the race, but he must stop before entering the finish straight of the last lap at a location where the commissaire of the finish straight stands and he will be classified with the loss of the appropriate number of laps and according to the position reached at the time of stopping.

In national races, the commissaires panel may set for the riders with a loss a maximum time lag behind the leading rider. Riders with a loss higher than the set time limit will be stopped during the race before entering the finish line and will be classified with the loss of the appropriate number of laps and according to the position reached at the time of stopping.

A rider who does not respect the rule about the loss of the lap will be penalized according to the rules.

14. RESULTS

Processing of the overall results of the competition will be provided by a service group specified by the Cyclo-Cross Commission of Czech National Federation.

Separate results of the race and the overall TOI TOI CUP 2022 standings will be processed for each category.

For OPEN MEN and WOMEN categories only individual race results will be processed.

15. THE COMMISSAIRES PANEL

For international races, the president of the commissaires' panel is designated by UCI, for national races by Cyclo-Cross Commission of Czech National Federation. The other members of the commissaires' panel are designated by Cyclo-Cross Commission of Czech National Federation. Radios for the commissaires (total 5 pcs.) for international Toi Toi Cup races and for the national championships will ensure Agentura Cyklistika s.r.o. For only national Toi Toi Cup races the radios will be ensured by the local organizer of the race.
